Drivers in 3 divisions at Albany Saratoga will be running harder than ever and with good reason thanks to Mike Sowle and Sowle Enterprises. Sowle Tractor Trailer Repair Services of Fultonville will be adding money to the winner's purse of the Pro Stock, Budget Sportsmen and Modified features on Friday, May 31st.

"That should really pack the pits on Friday night." said Mike Sowle. The crowds are sure to come as well, as the "Dirt Revival" continues at Albany Saratoga Speedway, the "Great Race Place" — thanks to Sowle Tractor Trailer Repair Services.
