

ALBANY SARATOGA *Speedway*

2671 US Route 9
Malta, New York 12020
518-587-0220

Albany-Saratoga Speedway is located at US Route 9, Malta, New York 12020

The speedway has been in operation for more than 50 years, initially sanctioned as an asphalt speedway by NASCAR. Today, as a dirt surfaced track, it is sanctioned by DIRTcar NE.

The track features racing every Friday night with five different weekly divisions including DIRTcar Modifieds, DIRTcar Sportsman, Limited Sportsman, DIRTcar Pro Stocks and Street Stocks.

The facility is in full operation from early April through September with numerous special special events that take place during the season.

Throughout the season the speedway recognizes many organizations: Law Enforcement honors those who protect and serve our local communities; Military which honors fallen soldiers and their families and all military personnel; Fire & Rescue recognizes fire-fighters, EMT's and all rescue personnel.

Promoter Lyle DeVore has established Albany-Saratoga Speedway as a premier auto racing venue in the Northeast.

DeVore was recognized as 2017, 2018, and 2019 Regional Promoter of the Year for the United States. In 2020 and 2022, DeVore was awarded the National Annual Promoter of the Year. 2020 was unique as it was without fans in attendance.

Along with community involvement throughout the summer, Albany-Saratoga Speedway continues to be a destination for affordable family entertainment.

We have an extensive amount of marketing opportunities available that includes, but is not limited to the following:

Your VIP will include access to the VIP Turn 4 Zone with air conditioning, food and beverages

Complimentary pit access, a chosen individual to drop the green flag and victory lane access.

Victory Lane Celebration Photo with company representatives (TBD)

Company Display in Midway Area: There will be events during the season exclusive to your company

Sign placement is available throughout the facility (as agreed upon)

Advertising:
